Docket Number: W-03476A-15-0286

Docket Position:

Caller is opposed to any increase in rates. Per caller he states the town cannot absorb a 2x higher increase. The town is in bad shape to the point the bank left town and citizens must now travel 84 miles to do banking. This is just one of the examples indicating the residents are stretched to the max and just how catastrophic an increase will be.

He resides at 2nd and Cedar and has a total of three properties within the water company's CC&N.
